**Training Solutions
from Connect2Care**

The industries we operate in are constantly evolving. Our job-specific training solutions will give your employees the practical skills and abilities they need to excel and develop in their role.

We constantly review our course curriculum to reflect the latest trends and regulations. Our training courses enable you to make sure your team are always compliant and have fresh, up-to-date knowledge.

Interactive Online Courses

Our Interactive Online Courses are tailored specifically to garner the skills and attributes needed by your workforce for now and in the future. These courses are delivered Live and Online by our industry experts providing a comprehensive and in-depth insight into their subject area over a two to five hour period.

	Online Facilitator		£150 +VAT

E-learning

Connect2Care work in partnership with The Skills Network to offer a range of short courses to help you with your Continued Professional Development (CPD).

Gain access to exciting and flexible online learning content, and study where you like and when you like. Our short, bite-sized CPD courses are interactive and engaging, and take on average just two hours to complete. Our CPD courses are delivered online and are auto-marked, meaning that feedback is instant.
