

Level 3

# Certificate in Understanding the Care and Management of Diabetes

Connect  
2care

The purpose of this qualification is to increase learners' awareness and understanding of diabetes.

By completing the qualification, learners will develop in-depth knowledge of diabetes which could support progression onto appropriate qualifications, and into relevant employment in the health and social care sector.

## Entry Requirements

There are no specific recommended prior learning requirements for this qualification. However, learners may find it helpful if they've already achieved a Level 2 qualification in healthcare or social care.

Entry is at the discretion of the Centre. However, learners should be aged 16 or above to undertake this qualification.

## Progression

Learners who achieve this qualification could progress to:

- ▶ Level 3 Certificate in Preparing to Work in Adult Social Care.
- ▶ Level 3 Diploma in Clinical Healthcare Support.
- ▶ Access to HE Diploma (Health).
- ▶ Access to HE Diploma (Health and Social Care Professions).
- ▶ Access to HE Diploma (Nursing and Healthcare Professions).

## Duration

5 months.

## Ways to Pay

£ Pay in full:  
£811 + VAT.
